I hereby apply for Electric, Water and Wastewater service in accordance with the following terms and conditions.  
**I have / do not have** (circle correct phrase) an outstanding account with this Utility or any other Utility in Wisconsin which has accrued in the past six years prior to the date of this application.

**A Deposit may be requested** if you are a **New** residential customer or if you if have any undisputed outstanding bills anywhere in Wisconsin during the last Six Years or any current customer if you have been disconnected in the last 12 months, or if you falsified a service application, or payment for service from November 1 - April 15 is 80 days or more overdue.

If applicant has an outstanding account accrued within the last six years with Boscobel Utilities, applicant shall be able to receive service under a deferred payment agreement in lieu of a cash deposit. Also, the customer reserves the right to have the county department of social services notified before he/she is disconnected for any reason.

The applicant(s) whose signature appears below applies to the Boscobel Utility Commission for Electric and/or Water and Wastewater Services to be supplied at the service address herein described. The applicant agrees to pay for said services as bills are received therefore in accordance with the rates, rules and regulations filed with and authorized by the Public Service Commission of Wisconsin and in effect at the time of delivery of service. Copies of rate schedule and rules and regulations applicable to the applicant are available at the business office located at 1006 Wisconsin Avenue, Boscobel, WI 53805. All applicants whose signatures appear below agree to joint and server liability for all charges for utility service requested.
